

Cat.6A FTP 1U 48P-HD Patch Panel

Technical information

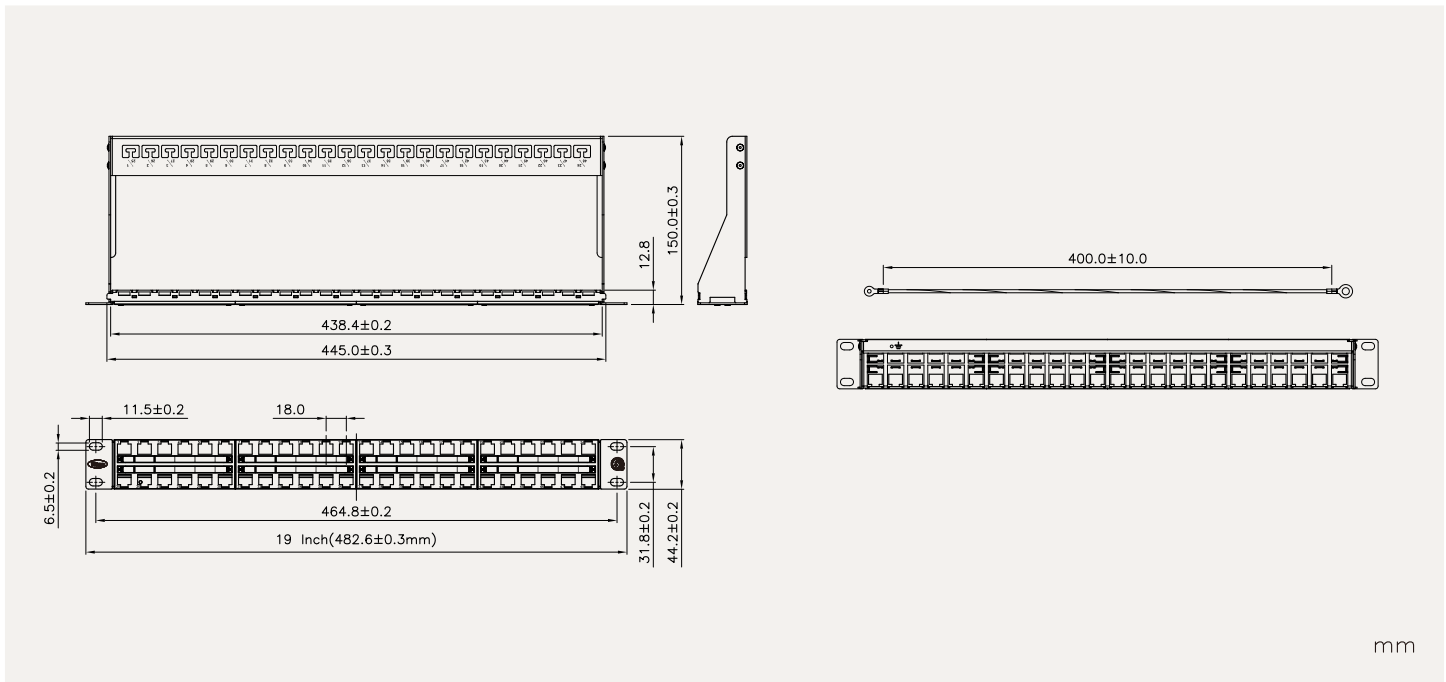

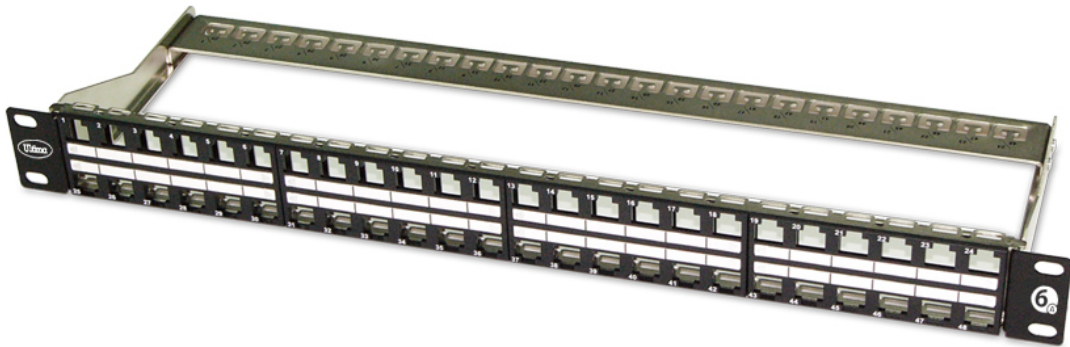

Features:

- Improving accessibility: termination field is closer to installer for easier termination.
- low profile: offering more aisle space in small closets.
- Designed to easily route cables into vertical cable managers, reducing the need for horizontal, front cable management bars.
- 48 Port in one HU.
- Mount to standard eia 19" racks.
- Color: painted black with clear window label holders.
